

# Finding Your International Dial-In Numbers

To be a success in today's global economy, people need the capability to connect despite their geographic location. We offer a broad range of global conferencing solutions, providing you with dependable and consistent service—no matter where you or your participants are located.

Using InterCall's International Toll-Free Service (ITFS) and International Local Access (ITL), participants from various international locations can dial into your U.S.-hosted conference. ITFS and ITL are simple, cost-effective solutions to expand your global reach and help you create better connections to obtain your business goals.

## Your ITFS and ITL Numbers

Follow these step-by-step instructions to locate your ITFS and ITL dial-in numbers:

- 1 Go to [www.intercallonline.com](http://www.intercallonline.com).
- 2 Enter your username and password (if you have not established an online account, please create that first).
- 3 Click **Login**.
- 4 Choose your conferencing service in the My Dial-In Information section. A new window will appear with a list of your designated dial-in numbers.
