

OVERVIEW

Reservationless-Plus[®]

Host Meetings Anytime, Anywhere

When you need to host weekly recurring meetings or organize a last minute meeting, InterCall's Reservationless-Plus conferencing efficiently allows you to bring people together to help you meet your business objectives and succeed.

No Reservations, No Operators

Reservationless-Plus is a reliable solution that does not require reservations or operators. You have the ability to control your conference commands with a touch of a button from your telephone keypad. You receive customizable features and you can select from a variety of languages specific to your region for your system prompts. In addition, use InterCall Online to manage your account and conference calls online.

What You Can Expect

With InterCall's Reservationless-Plus conferencing you will receive a simple and convenient solution to create better connections.

- Consistency: Receive permanent dial-in information for all of your calls
- Convenience: No reservations, operators or time limits
- Ease-of-Use: Control your conference commands from your telephone keypad
- Customization: Tailor all of your calls or just one call to your needs
- Online Management: Go to www.intercallonline.com to manage your account and calls
