LEADER VIEW

MULTI-MEDIA PRESENTATION
Delivery includes animation, Flash media as well as embedded audio and video.

THE LEADER'S TOOLBAR

Allows leaders to control their show and use features such as slides, live application sharing, web touring and chat, in addition to viewing who's joined the event.

CONTENT VIEWER

Provides leaders a thumbnail view of the content being presented including slides, application sharing and web tours.

VIDEO STREAM

Integrate a live video stream of the leader to participants.

CHAT

Use for interactive conversation or Q&A.

PARTICIPANT VIEW
